

Practice questions

Topic: loops

Write a Program to print all natural numbers from 1 to n. -

Write a Program to print all natural numbers in reverse (from n to 1).

Write a Program to print all alphabets from a to z. -

Write a Program to print all even numbers between 1 to 100. -

Write a Program to print all odd number between 1 to 100.

Write a Program to find sum of all natural numbers between 1 to n.

Write a Program to find sum of all even numbers between 1 to n.

Write a Program to find sum of all odd numbers between 1 to n.

Write a Program to print multiplication table of any number.

Write a Program to count number of digits in a number.

Write a Program to find first and last digit of a number.

Write a Program to find sum of first and last digit of a number.

Write a Program to swap first and last digits of a number.

Write a Program to calculate sum of digits of a number.

Write a Program to calculate product of digits of a number.

Write a Program to enter a number and print its reverse.

Write a Program to check whether a number is palindrome or not.

Write a Program to find frequency of each digit in a given integer.

Write a Program to enter a number and print it in words.

Write a Program to print all ASCII character with their values.

Write a Program to find power of a number using for loop.

Write a Program to find all factors of a number.

Write a Program to calculate factorial of a number.

Write a Program to find HCF (GCD) of two numbers.

Write a Program to find LCM of two numbers.

Write a Program to check whether a number is Prime number or not.

Write a Program to print all Prime numbers between 1 to n.

Write a Program to find sum of all prime numbers between 1 to n.

Write a Program to find all prime factors of a number.

Write a Program to check whether a number is Armstrong number or not.

Write a Program to print all Armstrong numbers between 1 to n.

Write a Program to check whether a number is Perfect number or not.

Write a Program to print all Perfect numbers between 1 to n.

Write a Program to check whether a number is Strong number or not.

Write a Program to print all Strong numbers between 1 to n.

Write a Program to print Fibonacci series up to n terms.
